**Sub: Residential Programme on " Hospital Administration; Recent Trends  
& Challenges " at Poovar, Island, Kerala, during 19-23 Feb. 2017**

Dear Sir,

We are pleased to announce our next residential programme on the above subject at Poovar Island, Kerala during 19-23 Feb. 2017

The programme is jointly organized by Sanjay Gandhi Post Graduate Institute of medical science & Medical college (SGPGI MS) Lucknow & Greater Noida Productivity Council, so as to share latest information regarding development in Hospital Administration with Emphasis on recent trends & Challenges faced by health care organizations. Studies have revealed that there are enough scope of improvement in Health Care Organization in improving productivity through proper utilization of all the resources, cost control, quality improvement, customer satisfaction etc.

This programme will also identify the weak links and how to strengthen so as to achieve highest level of productivity & quality in the Health Care Organization.

We are Sure, you would like to avail this opportunity and nominate Medical director CMO, CMS, MS, Doctors, Paramedical Staff, HR Personnel associates with Health Care Organization & Health Care Projects.

The details is given in the inclosed brochure for you kind consideration.

Thanking you

#### **About SGPGIMS, Lucknow**

The Sanjay Gandhi Post Graduate Institute of Medical Science (SGPGIMS), Lucknow was established in 1983 by an act of the State Legislature to create centre of excellence for providing medical care education and research facilities of high order in the field of medical services. The centrally air conditioned hospital has 1003 bedded hospital, 56 ICU beds, 21 OTs. It has highly qualified faculty members supported by committed and dedicated staff of resident Doctors, Nurses, Technician, Officers and Employees. The hospital services are provided at reasonable and subsidized rates. Only 30% of total expenditure on treatment is paid by the patient. The hospital administration department of the Institute is dedicated to patient care, comfort to patient relatives and welfare of the Institute employees. The basic objectives of Hospital Administration is to facilitate, extend all out help, coordination and cooperation to the consultants of SGPGIMS to achieve for excellence in the field of teaching, training and research. It is also running PG Diploma in Hosp and Health administration and Master in Hospital Administration Programmes.
