परेशानी

किसी ने क्या खूब कहा हे
ज़िन्दगी में परेशानिया हे,
या परेशानियों में थोड़ी ज़िन्दगी

ज़िन्दगी एक Rollercoaster हे

क्युकी ज़िन्दगी ये **Rollercoaster** हे
कभी सीधी होती हे
कभी टेढ़ी होती हे
कभी ऊपर जाती हे
कभी निचे जाती हे

टेढ़े रास्ते(जुगाड़) पर चलने वाले
ऊंचाई को पा लेते है
और सीधा रास्ता(सच्चाई) चुननेवाले को
लोग गिरा देते हे

काँटों की चादर बिछी है
सीधे रास्ते पर
और फूल ही फूल खिले है
टेढ़े रास्ते पर
आसान नहीं है यहाँ
सीधे रास्ते पर चलना
पर विश्वास हो खुद पर यहाँ
तो फिर क्यों हे डरना

बस चलते जाना , चलते जाना
और एक दिन मंज़िल को पा लेना
ज़िन्दगी का हे यही फ़साना
बस चलते जाना , चलते जाना

क्युकी ज़िन्दगी ये **Rollercoaster** हे
क्युकी ज़िन्दगी ये **Rollercoaster** हे

दो पहलु

जैसे हर सिक्के के दो पहलु है,
वैसे ही ज़िन्दगी के दो पहलु है

जैसे गम के बिना खुसी की कदर नहीं हे
और दुश्मनी के बिना दोस्ती की कदर नहीं हे

और नफरत के बिना मोहब्बत की कदर नहीं हे

जैसे बुढ़ापे के बिना जवानी की कदर नहीं

HOLD ON to those MOMENTS ,which cherish you like a child
HOLD ON to those MEMORIES ,which blossom you like a flower
HOLD ON to those SWEET TALKS, which reminds you of your inner child
HOLD ON to those BEAUTIFUL NIGHT, which reminds you of your special one

Just HOLD ON for a moments
And live those moments, which makes you happy forever

लम्हे

ज़िन्दगी के कुछ लम्हे
यादें बन जाते हे
कभी आँखों में नमी
तो कभी होठों पे खुसी लाते हे

इन लम्हों को ऐसे ही जिए जा
ऐ मेरे दोस्त
जो कभी हसते हे
तो कभी रुलाते हे..
ज़िन्दगी के कुछ लम्हे
यादें बन जाते हे

READING BETWEEN THE LINES.

"Ages passed in turning pages...
A few willingly, a few unwillingly.

But as I moved from one alphabet to another,
New words sprouted in front of my eyes,
Enchanted me with their eloquent rhymes,
Engulfed me deep into their meanings.

But some were raucous,
Some vacuous,
Some inscrutable;
Some jumbled up like half baked facts,
Some naked as truths,
And blatant as lies.

Some were capricious and chameleonic,
Though they rhymed the same,
Changed their colours when put differently,
Some appeared simple and short,
And they were deeper than I thought.

And I realized people were words too!

And as I moved from one chapter to another,
Leaving back the old characters,
A few more words and a few more phrases came and passed me by,
Each left their indelible mark,
An imprint or a scar,
And I again wondered what they meant,
Until I realized that the story never ends,
It only takes a new beginning.

Words come and go,
Alphabets stay loyal,
Creating a beautiful interplay as they collide and dance to form metaphors on my page.
And as I kept turning and returning to the pages- same old and new,
I learnt not just to read what was written,
But even learnt to read between the lines. "

INDIA- A BLOSSOMING BUD

This is the story of the great nation!
Situating between the Himalayas and great blue ocean!!

History dubbed it- 'the golden bird'!
Present calls it- 'the blossoming bud'!!

Once upon a time- 'a heavenly land'!
A land where evil was banned!!

And today as the evil rises uninhibited,
Its time for us to realize that- to this land we are greatly indebted!!
For this is our home that we have inhabited!

A place where the real wealth used to be education!
Troubled today by the fights for college admission!
Soiled by the omnipresent system of 'reservation'!!

An administration without any notion!
A state of total commotion!!

Yes, this is the story of a nation!
Smothered by the epidemic of corruption!!

And as the rupee falls and dollar rises;
We are trapped in the identity crises!!

The power- crazy bureaucracy!
And the rape of democracy!

The brimming river and the evergreen forest!
We callously reduced it all to waste!!

How shamelessly we plundered her glories and treasure!
Only for our greed and malicious pleasure!!

But now its time to rise for the new generation!
And surge a wave of revolution!

Its time to take a big stride,
To restore and salvage the lost pride!!

As the new India learns to fly,
Like a young bird in an already crowded sky!

Its time to learn from our past losses,
As India undergoes a metamorphoses!!

Its time for redemption!
Its time for resurrection!!

Its time to pick up the broom
And clear this mess and gloom!
Yes! Its our time to bloom!!
And put an end to the days of doom!!

This is the story of a 'rejuvenated nation',
Ready to storm the world with her knowledge and imagination!!

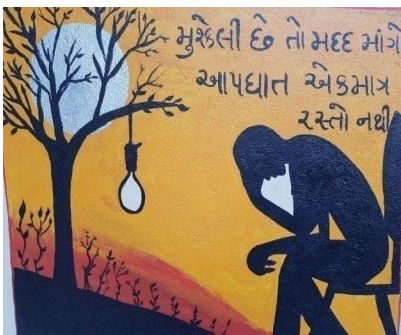

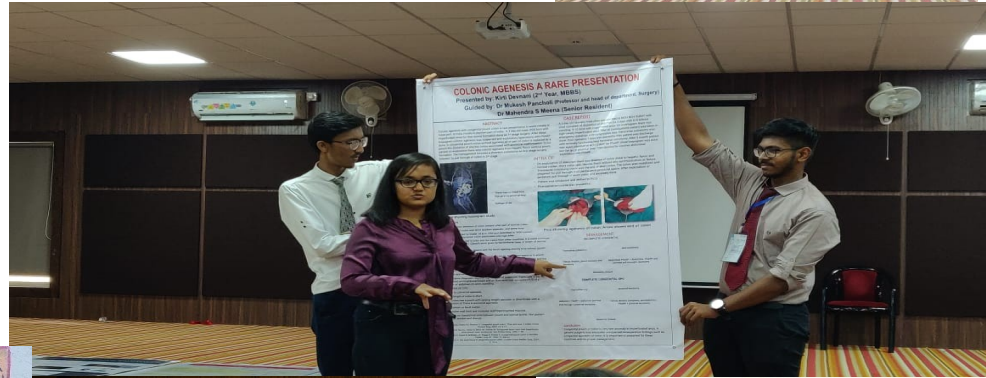

INDEPENDENCE DAY POEM

"Through songs of glory
And chattering hymns,
Through uproars
And shrieks,
Through ghastly silence
Through raucous war cries..
Through tyrannical invaders
And punchdrunk rulers..
Through powercrazy democracy
And the blind judiciary..
I sometimes wonder how my country has survived..

Perhaps,
Irrigated by the holy waters of the rivers galore,
And resurrected by holier blood of patriotic valour..
A crazy zeal to protect the tricolour..
Of some unfathomable sacrifices done without a favour..

Yes, somehow we have survived.
We have fought back the evil only to see the birth of a new evil.
But as the evil continues to threaten and smother us in the midnight hour,
A revolution is brewing somewhere,
And a new India is taking its first little baby steps..
I am sure it will rise up and start to walk on its own,
Run, jump and learn to dream of flying high one day using the wings of fire and courage..
The golden bird is long buried,
The blossoming bud is all that is left of us..
The dark clouds of gloom
Will pass
And a resplendent morning awaits our sun kissed shores."
